Introduction:

Jeevandeep Shaikshanik Sanstha Poi's Arts, Commerce and Science College Khardi was Established in the year 2008, affiliated with the University of Mumbai, is a leading educational institution in Shahpur, Maharashtra. Founded by honourable Mr. Ravindra Ghodvinde, the college is part of the Jeevandeep Shaikshanik Sanstha Poi's Institute, dedicated to providing education to marginalized communities for over 15 years. With a motto of "Vidya vinayne shobhate," the college aims for inclusive growth and societal welfare. It started with 145 students and has grown significantly since then, now offering a range of courses. Situated in the tribal and hilly terrain of Khardi, the college serves approximately 100 villages, many of which are remote and inaccessible. The majority of students come from economically weaker backgrounds, with over 90% belonging to reserved categories, particularly Scheduled Tribes. The college emphasizes self-empowerment through programs like the "Earn and Learn Scheme," promoting both education and labour dignity. Overall, the college embodies the transformative power of education in uplifting marginalized communities. Its commitment to holistic development and social inclusion illuminates the path towards a brighter, more equitable future for all. Jeevandeep Shaikshanik Sanstha Poi's Arts, Commerce and Science College of khardi was Established in 2008, Jeevandeep Shaikshanik Sanstha Poi's Institute stands as a beacon of education in the tribal heartlands of Shahpur. Founded by the esteemed Mr. Ravindra Ghodvinde Sir, this institution has been dedicatedly serving the marginalized communities for over 15 years. Arts, Commerce and science college of khardi is affiliated with the University of Mumbai; it has emerged as a distinguished educational hub, excelling in both quality and quantity. The institute's noble mission revolves around imparting education to the underprivileged transcending barriers of caste, creed, and religion.

Guided by the motto "Vidya vinayne shobhate," it embodies the spirit of inclusive growth and societal welfare. A testament to its commitment to self-empowerment is the "Earn and Learn Scheme," which underscores the value of self-education and labour dignity. college Commenced its journey in 2008 with a modest enrolment of 145 students, the institution has grown exponentially, establishing the Arts, Commerce, and Science College in Khardi. Situated amidst the tribal and hilly terrain of khardi in Shahpur District, Maharashtra, it serves as an educational lifeline for the surrounding villages, spanning approximately 100 distant hamlets. Drawing from its catchment area, where around 80% of students originate from inaccessible regions, the college predominantly caters to individuals from economically weaker backgrounds. Notably, over 90% of the student body belongs to reserved categories, with a significant proportion being from Scheduled Tribes. In essence, Jeevandeep Shaikshanik Sanstha Poi's Institute epitomizes the transformative power of education in uplifting marginalized communities. Its steadfast dedication to holistic development and social inclusion continues to illuminate the path towards a brighter, more equitable future for all.

Vision:

To be a center for excellence in education, skills development, and entrepreneurship of the rural youth in general and tribal youths in specific one of the leading institute for implementation of NEP- 2020 for the benefit of rural youth.

Mission:

- ❖ To provide under- graduate, post- graduate and skills education
- ❖ To prepare students competent for employment and entrepreneurship career development and personality development
- ❖ To prepare youth with the human values, professional ethics, quest for excellence to contribute as a positive citizen for the development of the society at large

❖ The institute offers education and training for youths in rural, tribal and disadvantage group.

Short Term Goals (2024-2027):

1. Academic Performance:

- Ensure consistent good academic performance.
- Strengthen ICT-enabled classrooms and laboratories for effective teaching and learning.
- Implement a continuous internal evaluation (CIE) system to assess learning outcomes.

2. Student Support and Progression

- Upgrade the college website for improved communication.
- Provide information about various government and institute scholarships.
- Strengthen the guidance center for competitive exams.
- Develop capacity-building programs and computer courses for students.

3. Infrastructure and Learning Resources:

- Enhance academic infrastructure such as laboratories, ICT facilities, library resources, and sports facilities.
- Equip classrooms with L.C.D. projectors.
- Develop smart classrooms for modern education.
- Construct new science laboratories and classrooms.
- Install CCTV cameras for campus security.

4. Faculty Development:

- Organize professional development programs for faculty and staff.
- Promote participation in seminars, conferences, and workshops.
- Encourage faculty to use ICT for effective teaching and learning.

5. Community Engagement:

- Organize outreach programs to identify and recruit talented tribal students.
- Increase enrolment and retention rates in rural and remote areas.

Medium Term Goals (2028-2030)

1. Academic Programs:

- Start more postgraduate programs.
- Introduce add-on, certificate, and short-term courses for curriculum enrichment.
- Expand academic flexibility with more career-oriented courses.

2. Research and Innovation:

- Promote a research culture among students and teachers.
- Establish a research lab and incubation center.
- Submit research proposals for seed money and funding.

3. Student Development:

- Organize field visits, excursions, and industrial visits for experiential learning.
- Inculcate learner-centric and effective teaching-learning processes.
- Provide skill education through development programs.

4. Community and Environmental Initiatives:

- Enhance environmental awareness programs.
- Organize programs on fundamental rights and duties of Indian citizens.
- Increase alternate renewable energy resources and improve rainwater harvesting systems.

5. Governance and Leadership:

- Implement decentralization of work
- Conduct internal audits rigorously
